

12th Regional Meeting of the National EFA Coordinators
(25-28 July 2011, Seoul, Rep of Korea)

WELCOME TO GEMInfo!

WHAT IS GEMInfo?

GEMInfo is an online tool serving as an interactive repository on policies and plans, networks and working groups, research and studies (documentation) on gender in education, and education data to facilitate information exchange, strengthened engagement and response to country needs and mechanism for coordination amongst relevant stakeholders.

GEMInfo's OBJECTIVES:

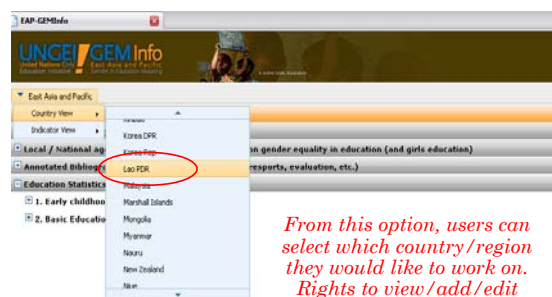

- A platform to facilitate EAP UNGEI partnerships and coordinate partners;
- Linkage between global/regional UNGEI and national partnerships;
- Compiled national and regional data focusing on gender disparities in and through education;
- Contextual background through qualitative information, analysis and legislative and policy review; and
- Links to best practices, lessons learned and project summaries.

THE FOLLOWING SCREENS DEMONSTRATE WHAT YOU WILL FIND WHEN USING GEMInfo!
